Core Courses = 48 credits that includes 2 MGT electives. Allied courses include 3 courses/12 credits: IHCOM 171, ECON 103, ISECON 104. MGT denotes Management courses. * MGT 202 is a substitute for the IQL course

DEGREE REQUIREMENTS TOTAL = 120credits

ALL STUDENTS MUST COMPLETE A MINIMUM OF 8 CREDITS OF INTEGRATIVE STUDIES COURSES AT THE 300-400 LEVEL.

OVERALL – **40 CREDITS AT 300 LEVEL IN ISP** (INCLUDING 8 CREDITS LISTED ABOVE), MAJOR, ELECTIVES, ETC...

The number of credits required has been reduced to 40 credits. These requirements take effect for students entering this year. There is no grandfathering clause. Students who enrolled prior to this fall must complete the 44 credit program. Students need to complete requirements in five areas:

- Area 1 – Foundations: ITW & IQL [1 ITW and 1 IQL or IQL alternative]
- Area 2 – Perspectives in Arts and Humanities: IA & IH [1IA, 1 IH and 1 IA or IH]
- Area 3 – Perspectives in Social and Natural Sciences: IS & IN [1 IS, 1 IN and 1 IS or IN]
- Area 4 – Interdisciplinary Study: II [1 II]
- Area 5 -one additional course selected from Areas 2, 3, or 4.

In meeting the Area 5 requirement, students may complete one course in the Arts, Humanities, Social Sciences, Natural Sciences or Interdisciplinary area. They cannot repeat a discipline from Area 2 or Area 3 in meeting the Area 5 requirement. For example, if students complete a Theatre and Dance course to meet an IA requirement, they cannot take an IA TAD course to meet the Area 5 requirement. They could, however, complete a TAD course that was being offered as an IITAD as all II courses are offered from an interdisciplinary or multidisciplinary perspective and must meet II program outcomes that are different from IA program outcomes.

Reminder regarding the upper level ISP requirement : Two courses must be taken at the 300 or 400 level once students have completed a minimum of 24 ISP credits including ITW and IQL.
